

sensors common types

```
graph LR; A[address-data structure definition] --> B[sensors common types]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'sensors common types'. The box on the right is gray with a black border and contains the text 'address-data structure definition' on two lines. A black arrow points from the right side of the gray box to the left side of the white box.
